

THE SPIN GLOBAL SOLUTION

Our mission is to disrupt disasters from neighborhoods to nations. Our training and exercises achieve this by strengthening clients' "muscle memory" to tackle real-world challenges and build community resilience at any scale.

FEATURED WORK

CITY OF FAIRFAX, VIRGINIA | 2018-22

SPIN Global provided comprehensive training and exercise services to City staff and residents. This included in-person and virtual tabletop, functional and full-scale exercises for all hazards. It also included preparedness training and exercises to City staff and residents with www.PlanetReady.com/FairfaxCity.

FEDERAL EMERGENCY MANAGEMENT AGENCY | 2020-21

SPIN Global supported development and delivery of a National Training Program certified course that focused on "whole community economic recovery" in communities all over the United States.

NORTH ATLANTIC TREATY ORGANIZATION REGIONAL EXERCISE | 2016-19

SPIN Global supported exercise design and evaluation of four countries in a 34-nation NATO Euro-Atlantic Disaster Response Coordination Centre functional search and rescue exercise in Bosnia & Herzegovina.

U.S. DEPARTMENT OF HOMELAND SECURITY | 2018-19

SPIN Global supported exercise design, facilitation and evaluation of the Shaken Fury Urban Search and Rescue Earthquake Exercise with all U.S. and five international US&R teams. The SPIN Global team was a joint recipient of the DHS Science & Technology Directorate's Under Secretary Award for Building Partnerships.

WHAT CLIENTS ARE SAYING:

"SPIN Global helped us elevate our program to a strong, viable emergency management program that supports the community and develops resilience. The training products have been a tremendous hit with the public and the staff in our City."
