

THE CHALLENGE:
INSTITUTIONAL
CAPACITY BUILDING

THE SPIN GLOBAL SOLUTION

Our mission is to disrupt disasters from neighborhoods to nations. We achieve this through institutional capacity building and regional security cooperation with governments, businesses, and non-governmental groups, using a whole community approach.

FEATURED WORK

NEW ZEALAND | 2019

SPIN Global conducted a national resilience assessment and workshop with local and central government, the private sector, 100 Resilient Cities, and U.S. Department of Homeland Security.

UKRAINE | 2019-21

SPIN Global supported U.S. Department of Defense Institute for Security Governance to facilitate Interagency Resilience Workshops designed to advance efforts to build national resilience and collective defense.

NORTH MACEDONIA | 2020

SPIN Global supported the U.S. Department of Defense Institute for Security Governance with a comprehensive civil-military national level assessment of disaster preparedness.

SEYCHELLES | GEORGIA | 2018

SPIN Global led World Bank Group assessments of the emergency preparedness and response capacities in Seychelles and Georgia to inform national resilience efforts.

CORE CAPABILITIES

- Emergency preparedness and disaster management
- Risk, vulnerability and resilience assessments
- Civil-military relations
- Private-public partnerships
- Interagency coordination
- International cooperation
- Defense reform
- Combatting terrorism
- Educational events
- Training & exercises
- Program evaluation

WHAT CLIENTS ARE SAYING:

"The assessment and workshop was a really good stick on our journey to understand how we can better use evidence, better use storytelling, and better use good science and intelligence to lead change and to have a more resilient city."

- Mike Mendonca, Chief Resilience Officer Wellington, New Zealand

THE SPIN GLOBAL DIFFERENCE

Efforts span local to multilateral levels, using our proprietary resilience assessment technology and data management service. Our whole community approach.
