

THE CHALLENGE:
PROGRAM MANAGEMENT

THE SPIN GLOBAL SOLUTION

Our mission is to disrupt disasters from neighborhoods to nations. Our strategic management, scientific, technical consulting and program management approach is ruthlessly focused on achieving outcomes that enable realization of a shared strategic vision.

FEATURED WORK

U.S. DEPARTMENT OF HOMELAND SECURITY | 2019-20

SPIN Global provided scientific and technical consulting and program management support to the Department of Homeland Security Science and technology Directorate First Responders Resource Group. In this role, SPIN assisted with the management of over 16 first responder technology projects.

DUN & BRADSTREET | 2016-21

SPIN Global supported provided strategic management consulting and program management services to modernize the homeland security and emergency management practice and service delivery to clients.

U.S. DEPARTMENT OF HOMELAND SECURITY | 2016-19

SPIN Global managed a strategic research program focused on crisis information management. Our team published novel research, supported a multi-national program, and successfully developed and commercialized ResponderCQ.com.

CITY OF FAIRFAX, VIRGINIA | 2017-19

SPIN Global provided comprehensive emergency management services and program support for planning, training, exercises, community outreach, and COVID-19 cost recovery.

WHAT CLIENTS ARE SAYING:

"Shaken Fury 2019 highlighted S&T as a go-to partner for technology and innovation benefitting responders and emergency managers."

- DHS S&T Under Secretary's Award for Building Partnerships
